5. Exhibits must be accurately labeled as to the content, processing method, time processed and date of pro-

cessing.

6. Judges may open any jar, except vegetables and meat, for inspection; however, if other visible characteristics of the product eliminate it from consideration of an award, the judge is not obligated to open for further evaluation. The judge will determine if a jar needs to be opened.
7. If possible, please bring products in pint jars rather than quart jars in order to waste less product.
