

# Plan your wedding at Benton County Fairgrounds

Large or small, we have facilities for your special day

## Building Spaces

Consider our Auditorium, Carriage House, & Lawn  
Guerber Hall or Floral Courtyard.

We offer special pricing for dual space  
rentals (50% off the lower priced, second  
space).

## Food & Beverages

Food and beverages are up to you.  
We do not require you to use a  
specific caterer, or any caterer  
We do recommend  
hiring a caterer if you  
plan to serve alcohol as  
liability insurance is required and  
professionals already have this  
coverage.

## Other Great Features:

Easy for guests to find

Plentiful parking

On-site RV Park available for guests

Amplified music allowed until midnight

## Set-Up & Tear Down

We provide set-up/tear down  
options so that you can do it  
yourself or have it done to your  
specifications.

Buildings come with tables &  
chairs that you can add to from  
our stock or have brought in  
from your choice of suppliers.

We offer reduced pricing for  
your set-up day.
